A tasty and tender steak, the ribeye has more marbling and a nugget of fat in the centre that ensures a succulent steak with intense flavour.

Rump 8oz - £10.95

Cut from behind the loin the rump has less fat within the steak but has a rind to ensure the steak stays moist and adds flavour.

Sirloin 8oz - £14.50

Cut from the heart of the loin, this steak is lightly marbled, producing a cut packed with flavour, many consider it to be the most flavoursome cut of all.

Fillet 8oz - £26.50

The fillet is carved from the sirloin and cut from the centre of the fillet. This steak continues to be the most tender steak, griddled and then finished off in the oven to ensure it stays succulent.

T-bone 12oz - £22.50

The T-Bone combines two steaks in one, the flavoursome Sirloin on one side of the "T" and a tender Filet on the other. Served on the bone for added flavour, the T-Bone offers the best of both steaks.
